

DUAL-ADMISSION AGREEMENT OVERVIEW

Sinclair Community College Courseview Campus Center and Miami University's Regional Campuses at Middletown, Hamilton, and the Voice of America Learning Center (VOALC) have created a dual-admission program to facilitate the transfer of Sinclair Associate of Arts Degree students to Miami University's Regional Campuses for the completion of their Baccalaureate Degree through the Bachelor of Integrative Studies (BIS) program.

Under the dual admission program students will simultaneously apply and be admitted to both institutions. Miami's Regional Campuses will waive the application fee, and transfer fees will be waived for students who successfully complete the requirements of the dual-admission program.

Students will complete their Associate of Arts Degree at Sinclair and then enroll at Miami's Regional Campuses for the completion of their BIS Baccalaureate Degree. Students are expected to complete all or the majority of their Miami Plan liberal education requirements at the foundation level at Sinclair.

Full time students who follow the recommended curriculum will be able to complete their Bachelor's Degree in four years. All eligible credits will transfer from Sinclair to Miami according to the Ohio Transfer Module agreement and Miami credit transfer policies and procedures.

At the outset, two BIS concentrations, Organizational Leadership and Families, Gender and Society, will be offered at Miami's VOA Learning Center. Students who wish to study in other BIS concentrations will be able to do so at Miami's Hamilton and Middletown campuses.

In addition, Sinclair students in the dual admission program who have attended Sinclair for at least one quarter will be able to attend Miami's Regional Campuses as transient students without paying any additional matriculation fee.
