Featured Project

Dell, the world's leading computer systems company, announced in November 2005 it would assume complete responsibility for its West Chester operations, taking over from its partner APL Logistics. Company officials said the fulfillment and logistics center has been "much more successful than originally expected." Dell opened the nearly 500,000 sq.ft. facility last November and estimated employment at 600 within three years; within only a year employment reached 1,000 jobs. Dell announced it is expanding parking at 9645 Windisch Road to accommodate the additional jobs. www.dell.com

Mattress Firm (The), specialty mattress company, leased 22,061 square foot office/warehouse facility during November 2005 at 5424 Duff Drive off Princeton-Glendale Road/SR747. This will be the company's second West Chester location. www.mattressfirm.com

Moore Ingredients, creates and manufactures natural and certified organic specialty ingredients, announced in November 2005 it leased a 4,672 square foot office/distribution facility at 9048 Sutton Place off Princeton-Glendale Road/SR747 directly across from its existing West Chester location. www.moorelab.com

Rainbow International, offering restoration and carpet care services, leased a 1,146 square foot facility at 8300 Princeton-Glendale Road at Smith Road (Beckett District) during November 2005. www.rainbowinternational.com

World Wide Technology, Inc., systems integrator providing technology and supply chain solutions, announced in November 2005 it will relocate and expand its existing West Chester operation to a 42,065 square feet facility at 9251 Meridian Way in Duke's World Park at Union Centre. World Wide Technology currently provides logistics solutions to Dell, Inc. www.wwt.com or www.dukerealty.com
